

Sorry You are Ill

Dear brother Will,

So sorry for your illness

We miss your ^{visit} more and more!

Cheer up! Don't be down-hearted-

Better days are in store!

Dear Mattie and all. - We
were so very sorry to hear about
dear Will's sickness, but
so glad to learn that he
is better; it was kind of
Lida to let us know.
We let Frank know about
it. We could not come to
you as Albert has been
having a very severe
attack of asthma
he got his feet wet
and did not tell
us, and went down
town all afternoon
Monday; that night

he was so he could
scarcely breathe
Othe took him to
the doctor Tuesday
morning and he
gave him something
to relieve him
temporarily, and he
has had a bad time
but to day Friday
he is down town again
but not well enough,
we have been expecting
you over for some
time. We have not heard
from Kate for a long
time

they said Carl came to
Kansas the first of
July but we have not
seen him or heard
from him hope he
comes to see us all soon
now we do hope & pray
for good news from
you all

Love and best
wishes to all from
Ab, May, Otis,
