

"Christmas Greetings" postcard is postmarked Grantville, Kansas, Dec 24; the year is not unreadable. Addressed in black ink to Mrs. Mattie Hebbe Dover Oklahoma, it reads:

Wishing you all
a merry Christmas
and a happy
New year.
As ever
Mary Stein

This Christmas "postcard" is between a card and a postcard for it opens with a verse inside. It remains inside the protective clear plastic envelope that appears to have been placed inside another envelope for there is no postmark on this protective envelope. Written on the back of the card

wish we could
spend Xmas
together rec'd
your letter will
answer soon.
