Dear Sister & Family

I Rec a card from Emma  
yesterday telling me  
that Will had passed  
away I am so sorry  
& you have my sympathy  
There is only one that  
can give you Real  
Comfort and that is God  
It dont seem only  
a short time since  
you was Here &  
Will & you looked  
so well & I thought  
that you would be  
for many years to  
come but we know  
that sooner or later  
it will come to all of

us. and our dear  
loved ones that has  
passed away would  
want us to go ahead  
it will be God and  
Lonesome for us but  
we know that our dear  
ones are waiting for  
us. and it wont be  
long till we meet them  
again I had a letter  
from Frank last  
week & he said that  
May had just told  
Hie, that will was  
serious Ill. will close  
with Love
