Dear Papa:-

We received your letter several days ago. Am giving you below the information regarding our family that you asked; (note that you have the names spelled wrong on the list you sent me)

John Walter Starr and Susan Louise Manoe were married on October 22, 1919.

CHILDREN

John Walter Starr Jr. was born on Jan. 5, 1922.

Mary Laura Starr was born on December 6, 1924.

Please see if you can get the names spelled correctly. Mamma's name was misspelled (Lifey). When it is all completed we would like very much to have a copy. Will it go back any farther than you and your brothers and sisters?

Well, have you seen anything of a man running around Cordele since yesterday morning? Gene Talmadge started out from Atlanta, passed through every county in South Georgia, and from last reports was still running. I did think the other crowd could make a better showing than they did. Am glad it is all over and we will be able to talk about something else. Guess we will have to talk about the strike now, and it looks like that is going to be a bad thing before it is over with. Pity when a man wants to work and there is work for him to do he cannot do it without such trouble. If it was the workers themselves it would be different.

We have been doing very well with our new set up. I have not been able to travel like I expected to. Hardly able to get machines to fill the orders that we can get or that comes to us, to say nothing about machines to carry out and demonstrate. We hope the situation will soon be in better shape and we will be able to get all the stock that we can use. Believe we will be able to make a good living out of it.

Under this new set up I can get off most any time and will look for you to come down with Bernice on his next trip. Be sure and let me know a day or two before hand so I can be here and not out on the road. Will try it real hard and see if we can catch a few. I have not wet a hook now since Clarence was down here in 1933. You might get AU to come along with you. I hear he is quite fond of fishing.

We are getting along very well physically, except myself. Had to see the doctor this morning and am just taking it easy for the balance of this week. Hope this finds you and yours in good health, and will hear from you again real soon. All join me in sending love to all.
