My dear Pierce,

I gave Oda the card last night, and told her to write you but don't think she did. Therefore if I were you, I would call Robert Ruff. at Y.M.C.A. as he has a room there. He is now working as a wage and hour man for government. You can locate him at this morning house or office - where he works. He can tell you all about Ruby and his last wife too. Just go - and have a talk with him in person. He also knows Benner - address in Cincinnati Benner - comes to Atlanta about 2 or 3 times a week. get there about 9 or 930 Central Standard tonight. Robert can tell you all about it, or you rather. Oh hope I'm still in much better.

I thought maybe we could come up -  
tomorrow to see him. but never  
can tell what Vada will do.  
Trusting you will be able to get all  
information desired. I would give  
to you if I knew.

Am most sincerely  
Annie Lee Matthews.
